

Just Fucking Good Wine Rosé

NELEMAN

Neleman wines are Spanish organic wines of Valencia with a Dutch heart. With special attention for local authentic grapes, reflecting the soil and region. Each wine has its own personality and you can taste the passion and love its been made with. We allow nature to do its work. Good wine is made in the vineyard.

VINEYARD & TERROIR

The vineyard is at the bottom of a small valley. The vineyard is planted north-south so one side of the vines gets the morning sun and the other the evening sun.

GRAPES VARIETIES

60% Tempranillo 40% Bobal

VINIFICATION & AGEING

The Bobal and Tempranillo grapes are harvested late in the season to preserve a good acidity. Also harvest takes place at night, to protect the grapes from oxidation. Fermented in French oak barrels the juice is allowed to macerate on the skins just enough to get a nice pink color. The wine is then left to age for about 3 months before final bottling.

TASTING NOTES

Salmon pink in color, in this characteristic gourmet rosé we find a mixture of fresh and fruity sensations as well as spicy ones due to its passage through French oak. Notes of clove and oak are noticeable both on the nose and on the palate, but also ripe fruit such as strawberries and raspberries. Creamy and acid makes it pleasant and easy to drink.

Perfect to enjoy with baked sea bass with seasonal vegetables.
