

Neleman Signature Red Blend XL

NELEMAN

Neleman wines are Spanish organic wines of Valencia with a Dutch heart. With special attention for local authentic grapes, reflecting the soil and region. Each wine has its own personality and you can taste the passion and love its been made with. We allow nature to do its work. Good wine is made in the vineyard.

VINEYARD & TERROIR

The vineyards are situated in a hilly district set in a mountainous region and cut up by ravines that may be more than 100 m (350 ft) deep. Geologically, most of its rock formations are sedimentary. There are only rare outcrops of meta-morphous or volcanic material. The principal sedimentary materials are carbonated rocks like limestone, dolomite and calcareous shale. Amongst the secondary rocks there is an abundance of detritics like clays, silts, sands and gravels. Evaporites like gypsum and salts represent a very small proportion.

GRAPE VARIETIES

Tempranillo & Marselan

VINIFICATION & AGEING

Both varieties are produced in a rarely fresh area in Valencia region, at 700 m above sea level. The grapes come from small plots with low yield but very high quality. Harvesting is done during night time, avoiding oxidation and high temperatures of day hours. We try to give this wine a slightly longer maceration in order to extract more concentration and structure on the palate. The wine is aged separately in both varieties for 4 months until the coupage where they are blended and then aged for a further 2 months in French oak foudres for a final refinement where we get an XL touch of oak.

TYPE

Red wine, strong & complex. Organic and vegan.
750 ml

ALCOHOL CONTENT

13,5%

TASTING NOTES

With a background of very seductive fruit the wine offers toasted notes, mineral lively aromas and a perfectly balanced sweet tannin.

FOOD PAIRING

Nice to drink on its own, or to combine with pasta, chili sin carne or tapas.

SUSTAINABLE POINTS

- Organic
- Vegan
- Sustainable packaging: Light bottle; green cap closure, one layer of aluminium instead of three.
