

Single Vineyard Chardonnay

NELEMAN

Neleman wines are Spanish organic wines of Valencia with a Dutch heart. With special attention for local authentic grapes, reflecting the soil and region. Each wine has its own personality and you can taste the passion and love its been made with. We allow nature to do its work. Good wine is made in the vineyard.

VINEYARD & TERROIR

The Neleman wines reflect the aromas and flavours of a precious and perfect terroir. This white wine comes from our vineyard in Casa Corones, in Alforins Valley. The soil is white limestone. Its surprising whiteness on the surface gives its name to the entire region: Vall d'Albaida. Rain absorbs moisture like a sponge. When it dries up, the upper layers form a natural barrier, restricting evaporation. This reserve of moisture contributes to the roots development.

TASTING NOTES

Inspired by California, made in Valencia and helped by the bees. We have a lavender field next to our winery so the bees can make our vineyards more biodiverse. It's how we produce these subtle buttery oak notes, fragranced with hints of vanilla and toast.

FOOD PAIRING

Goes very well with creamy dishes like risotto or pasta but also great to combine with avocado.
