NELEMAN

Neleman wines are Spanish organic wines of Valencia with a Dutch heart. With special attention for local authentic grapes, reflecting the soil and region. Each wine has its own personality and you can taste the passion and love its been made with. We allow nature to do its work. Good wine is made in the vineyard.

VINEYARD & TERROIR

The Neleman wines reflect the aromas and flavours of a precious and perfect terroir. The soil is white limestone. It has a surprising whiteness on the surface. Rain absorbs moisture like a sponge. When it dries up, the upper layers form a natural barrier, restricting evaporation. This reserve of moisture contributes to the roots development.

VINIFICATION & AGEING

The grapes are manually harvested in boxes to avoid any type of oxidation in the future wine. The full boxes are kept cold in cold rooms to be able to process the grapes without spoiling them at a temperature of 2-4 °C. After direct pressing and temperature controlled fermentation, the wine is kept in stainless steel tanks until bottling.

TASTING NOTES

The wine is light straw yellow in color, clean and transparent. The first sensations on the nose are floral, fruity and herbal, with small citrus touches.
