

Bike Winemakers Release Chardonnay

NELEMAN

Neleman wines are Spanish organic wines of Valencia with a Dutch heart. With special attention for local authentic grapes, reflecting the soil and region. Each wine has its own personality and you can taste the passion and love its been made with. We allow nature to do its work. Good wine is made in the vineyard.

VINEYARD & TERROIR

The Neleman wines reflect the aromas and flavours of a precious and perfect terroir. The soil is white limestone. It has a surprising whiteness on the surface. Rain absorbs moisture like a sponge. When it dries up, the upper layers form a natural barrier, restricting evaporation. This reserve of moisture contributes to the roots development.

GRAPE VARIETIES

100% Chardonnay

VINIFICATION & AGEING

The Chardonnay grapes are harvested with an overripe profile in vineyards with limited production in order to have a higher concentration. The fermentation in French oak and the continuous batonnages that have been provided to the wine make it have a prolonged unctuousness. The first-use wood used for the 4-5 months of ageing makes a greater impact on the wine, leaving a very long aftertaste.

TASTING NOTES

The nose reveals aromas of ripe lychees, vanilla, smoke, and honey, stone fruit such as peach and citrus. The vanilla of the wood blends perfectly with the Chardonnay, a neutral variety that is very well adapted to this type of ageing. Good entry on the palate and long aftertaste, very saline. The vanilla takes over the mouth. Medium acidity. It is not a cloying wine in spite of the notable wood that it has. Notes of banana, mango and dried fruits can also be appreciated.

Perfect with caramelised vegetables and heavy rice dishes.
