

# The Swimmers Sauvignon Blanc

## NELEMAN

Neleman wines are Spanish organic wines of Valencia with a Dutch heart. With special attention for local authentic grapes, reflecting the soil and region. Each wine has its own personality and you can taste the passion and love its been made with. We allow nature to do its work. Good wine is made in the vineyard.

## VINEYARD & TERROIR

The Neleman wines reflect the aromas and flavours of a precious and perfect terroir. The soil is white limestone with a surprising whiteness on the surface. Rain absorbs moisture like a sponge. When it dries up, the upper layers form a natural barrier, restricting evaporation. This reserve of moisture contributes to the roots development.

## GRAPE VARIETIES

100% Sauvignon Blanc

## VINIFICATION & AGEING

This white wine reflects a very characteristic Sauvignon Blanc typicity as we harvest the grapes with a slight over-ripeness. The 5 months ageing in oak barrels gives us a wine full of complexity and aromas developed from the Sauvignon Blanc. The barrels are battoned during the first months and then separated from their lees.

## TASTING NOTES

We find a white wine with aromas of minerality, rubber but also the classic herbal aromas of the variety. Its slight ageing in oak gives it an elegant touch on the palate and nose, making the wine with a medium acidity, unctuous and warm, with aromas and flavours of French oak such as honey or the oak itself.
