

Neleman Pink Glasses

NELEMAN

Neleman wines are Spanish organic wines of Valencia with a Dutch heart. With special attention for local authentic grapes, reflecting the soil and region. Each wine has its own personality and you can taste the passion and love its been made with. We allow nature to do its work. Good wine is made in the vineyard.

VINEYARD & TERROIR

The vineyards lay on an altitude between 800 to 1000 meters above sea level in the province of Valencia. No Mediterranean climate here but more continental so more irrigation is needed. The vines are relatively young. The soil is mostly sand and stone, no clay here on this plain. Nights can be cold, giving the fruit the bracing acidity it needs to produce lively wine. Rainfall is almost nonexistent, allowing the vines to grow grapes concentrated in flavor.

GRAPE VARIETY

100% Garnacha

VINIFICATION & AGEING

The Garnacha grapes are harvested early on in the season to preserve a good acidity. Also harvest takes place at night, to protect the grapes from oxidation. Fermented in steel vats, the juice is allowed to macerate on the skins just enough to get a nice pink colour.

TYPE

Rosé, dry and fruity. Organic and vegan.
750 ml

ALCOHOL CONTENT

12%

TASTING NOTES

A pink wine with salmon highlights. An approachable nose of strawberry, raspberry and cranberry gives way to notes of wet stone and slate. Light, cool and bracing on the palate, fresh but not sour, very pure and pleasantly fruity.

FOOD PAIRING

Serve chilled with salads or snacks.
